Lima East beef farmer Damien Gerrans discusses water and climate change

71 views • 2 years ago

What we delivered:

South West Goulburn Landcare Network dung beetle nursery,
March 2023

Upper Goulburn Landcare Network cell grazing V rotational grazing
demo, Oct 2021

The future

- Independent technical advice and follow up is essential
- Big desire for peer-supported learning
- Improve regional sharing of project activities, opportunities and outcomes

Maize Association Australia field day, March 2022
