1. The project area is referred to collectively as the Goulburn Murray Irrigation District (GMID), which includes the GMID (including Woorinen), Tresco and Nyah Irrigation Districts.
2. 2019/20 data is reflective of activity at the point of survey and based on the 2019/20 irrigation season (August 2019 to May 2020).
3. Dairy Combined includes all of the dairy land use categories including 'Dairy' (WUL with an active milking shed), 'Dairy Associated' (land linked to an active dairy shed WUL) and 'Dairy Agistment and Fodder' (no clear link to an active milking shed but dairy cattle present or a former active dairy farm that may be in transition).
4. 'Other' refers to a miscellaneous grouping including municipal infrastructure i.e. sporting ovals and schools.
