EROSION GULLIES AND HILLS

A farm walk in Limestone to discuss management options, experiences and challenges for erosion gullies in farm land

Join us for a discussion about:

- Techniques for managing gullies
- Options to manage steep hills
- Ideas for funding for erosion control works
- Where to go for more information

With technical advice from Brad Costin, AgVic

Tuesday 13th April, 2021
9.30am – 12.00pm

Numbers are limited and registration is essential. If you are unwell, are awaiting results of a COVID test or have been in a hotspot please do not attend.

Morning tea provided.
