

# Dig Deeper into Regenerative ag SOILS Masterclass *Shepparton*

with *Nicole Masters*

**Vic No-Till is thrilled to bring Nicole Masters to Victoria for Workshops and Soils Masterclasses.**

*Nicole is an agro-ecologist, educator and systems thinker with nearly 20 years' extensive practical and theoretical experience in regenerative land practices. She has been communicating these methods throughout Australasia since 2003 and North America (2013); helping inspire and guide producers into new and innovative ways to produce food. Nicole has a commitment to finding win-win solutions for both the wellbeing of landscapes and land managers. As a seasoned soils coach, she has a proven record in supporting producers in meeting their goals.*

*With almost half a million hectares under her programs, Nicole excels at identifying and solving challenges through proactive management. Her passion for fostering the growth of these farming practices calls upon diverse skills in facilitation, conflict resolution, an understanding of behavioural change and science communication. With soil as a major driver for ecosystem health, Nicole has worked closely with diverse production sectors from; dairy, sheep and beef, viticulture, compost, nurseries, market gardens, racing studs, lifestyle blocks to large-scale cropping.*

*Working with such diverse clients has fostered a broad knowledge and understanding of the challenges facing different production systems. Nicole has devised and delivered educational programs for a wide range of organisations; consultants, businesses, Landcare and extension services.*
