For the Shepparton Irrigation Region Land and Water Management Plan

Updated 21 September 2021

This page is expected to be updated from the Goulburn Broken CMA Annual Report 2020-21 when it becomes available, expected to be about October 2021. This will update a similar section of the 2019-20 Annual Report.

This is extra information as tagged on page 30 of: [30 years done! Creating a resilient Shepparton Irrigation Region 1990 to 2020.](#)

This information is continually updated as part of Shepparton Irrigation Region People and Planning Integration Committee processes. GB CMA and partner agency staff supplement this style of summary with considerably more details.
