The flood lines shown on this plan can be used to assist in the determination of designated areas in accordance with the provisions of the Flood Management Act 1998. A building is deemed to be situated on a flood line if the floor level of any individual building is above the flood line. Buildings should be sited to avoid flood lines. Flood lines were derived from the Greater Shepparton Council's 2001 Flood Study under provisions of the Water Act 1988. Clause 200 on 23rd August, 2002.
